2014 R4 RAFTING WORLD CHAMPIONSHIP

1. CLARIFICATIONS

With a little more than two months for the World Championship Rafting R4, the local organization has been working hard to prepare an event that welcomes structurally and technically to the yearnings of the best rowers in the world.

Several teams were having difficulties with access to the official page and communication with the organization. We hope these problems are now closed and the most teams have already performed their respective entries.

Regarding the deadline for applications, countries have asked for the extension because of the difficulty in getting sponsors. Aiming to make it easier for competitors, new date has been set:

- **August 31th, 2014** – nominal entries

2. ENTRIES

Entry fee: US\$ 100,00 (American dollars) per person to a maximum of 8 people per team.

ADDING

US\$ 25,00 (American dollars) per person pertaining to healthcare insurance that will be charged only the people that do not prove to have these services with international coverage insurance.

*** After performing the entries on the website correctly, the Organization of the event will contact you to forward the INVOICES and guide the best form of financial transfers to Brazil.

Included in the entry fee:

- **Transport to the City/Itaipu Canal/City every day– during October 08th to 19th ,2014;**
- **Transfer to the airport/hotel/airport since given 15 days in advance;**
- **Transport to the City/Iguassu National Park/City – official time;**
- **Transport to the City/Binational Itaipu/City – Opening Ceremony in October 08th , 2014, at 19pm;**
- **Closing dinner;**
- **Transport to the City/Ono Theatre Bar – Opening Ceremony – General awards;**
- **Health Insurance in Foz;**
- **Access to Itaipu Canal and Iguassu National Park in the officials days;**

INSURANCE AND MEDICAL CARE ASSISTANCE

The Itaipu and Iguacu National Park require that all persons registered in the event are covered by life and hospital medical care insurance. The insurance will cover up to U.S. \$ 50,000.00 (fifty thousand real) for the case of accidental death or permanent disability and even \$ 3,000.00 (three thousand real) for medical and hospital expenses.

If the teams understand that the values are low for the requirements they shall hire other insurance for complementation. The organization of the event is liable for expenses only up to the insured limit.

2014 R4 RAFTING WORLD CHAMPIONSHIP

If perhaps there is some accident the athlete will be referred to the Costa Cavalcanti Hospital where the organizers will commit to pay the costs up to the limit of R\$ 3.000,00 (three thousand real). At this value the responsibility passes to the team.

Official website for entries: www.foz2014.org.br

Official system of entries:

<http://extranet.canoagem.org.br/associacoesauth?evento=rafting2014>

To access the site of the entries send us an email registered in IRF for: foz2014@canoagem.org.br and request your password. The validation of the emails will be starting the emails registered on IRF website.

3. TRAINING

The official training begins on **October 8th**. **THE ORGANIZATION ASKS THAT TEAMS ARRIVE IN FOZ DO IGUASSU ON THE EVE OF THE EVENT DUE TO THE END OF FACILITIES BOMBS ON ITAIPU CANAL, AVOIDING PLANS TRAINING BEFORE TRAINING OFFICERS.**

Teams wishing to train in the Iguassu National Park, where the evidence will take place to downriver, **OUT OF OFFICIAL TIME**, will have to follow the following procedures:

- 1º - Officially Report by email the period you want to train: foz2014@canoagem.org.br ;
- 2º- Request a password to access the credentialing system and enter all the information and photos of members needed;
- 3º- Forward by e-mail the schedule training required;
- 4º- Bring their equipment for training, competition materials are still being made and **will not be loaned outside the period of the official training**;
- 5º-**** The training in the Iguassu National Park outside the official program will be possible since the team hit the details and prices directly with the Company Macuco Safari through the website: www.macucosafari.com.br. The person responsible for organizing the training is Christofer. The phone number is +55 45 9967 4269, email: comercial@macucosafari.com.br
- 6º- For payment of **life insurance** required by Itaipu and the Iguassu National Park, will be charged one fee **per credential** in the amount of \$ 25.00 (American dollars) to cover the entire period of training and competition;
- 7º- Outside the period of the official training, **there won not be shipping by the local organizers**, each team must place your car / Van;
- 8º- All equipment should be disinfected on arrival at Itaipu Canal, as well as to be removed to return to their countries;
- 9º- Provided for pumping installations are on the Itaipu Canal from the beginning of October, which **cannot guarantee enough water for advance training**.

2014 R4 RAFTING WORLD CHAMPIONSHIP

Foz do Iguauçu / Cataratas-IGU International Airport: The airport is located on BR469 - km 16.5 - the Cataratas Highway, 13 km from downtown, 12 km from Iguassu Falls, 10 km from Tancredo Neves Bridge (Argentina), 20 km from the Friendship Bridge (Paraguay), 30 km from the Itaipu dam. There is also the possibility of the arrival airport AGT - Guarani International Airport in Ciudad del Este (Paraguay) or IGR - Iguassu Falls International Airport in Puerto Iguassu (Argentina).

For more information about the Foz do Iguauçu International Airport visit: <http://www.infraero.gov.br/index.php/br/aeroportos/parana/aeroporto-internacional-de-foz-do-iguacu.html>

Highways: Arriving to Foz do Iguassu by car or bus is easy, because Brazilian, Argentines and Paraguayans highways supply it. In Brazil, you can arrive through BR-277. It's an highway which cross all Parana state. Just like the airports, the region has three bus stations with regional lines, national e international, which connect the main cities in Brazil with Paraguay and Argentina.

Access to the venue: The transport until the competition will be done by car or bus. Foz do Iguassu downtown is 17 km from Itaipu, approximately 20 minutes and 28 km from Iguassu National Park, approximately 30 minutes.

The Framework is available at:

<http://www.portalconsular.mre.gov.br/estrangeiros/quadro-geral-de-regime-de-vistos>

2014 R4 RAFTING WORLD CHAMPIONSHIP

6. ACCOMMODATION, MEALS, LOCAL TRANSPORT, AIR TRANSPORT AND INSURANCE.

Accommodation

To facilitate the logistics of the event, especially on the issue of transportation, because we all know the difficulties of access to the local test (Itaipu and Iguassu National Park), the organization choose the central area of Foz do Iguassu hotels and restaurants to indicate good prices.

If the teams choose one of these hotels, they will be well served with supermarkets, drugstores, hospital, banks, restaurants that are very close, beyond the facility of daily transport to the training and competition place, because the bus stop it close to the hotels, as indicated below:

Hotels that are part of SHUTTLE buses for both the Iguassu National Park, and for Itaipu:

Transport Hotel/Course/Hotel

The entry of the athletes and crew in Itaipu and Iguassu National Park will be with the official vehicle of the event, not being allowed access to private or leased vehicle in the period 08th to 19th October. Before the start of official training will be able to access, duly authorized and accredited leased vehicles.

The starting point is shown in the drawing above, so that the organization asks teams to host in nearby hotels, facilitating logistics for all.

The organization also makes available an equipped gym, of less than an hundred meters from the selected hotels, with special price, during the event. Those interested should send request for days and times that physical training through gpkturismo@uol.com.br. With this email they will send the budgets.

Transport Airport/Hotel/Airport

Since the organization is informed at least 15 days from the time of arrival of the delegation in Foz do Iguaçu, will be provided a van and a guide to accompany the team to their hotel. This service will also be available for return to the airport.
