- Rescue 3 Europe WRTI / SRTI updates €200.00 per instructor (Lunch included)
- Various local accommodations are available

## Why should you attend? What's in it for you?

Over the course of three days, we'll cover important updates in standards, teaching methodologies, and GTE administration. But beyond that, this is a chance to:

- Connect and exchange experiences with other river professionals
- Gain clarity on current IRF standards
- Learn how to promote and organise workshops more effectively
- Develop better teaching strategies and discover new training tools
- Master the art of giving valuable feedback to students
- Improve your risk assessment, site selection, and safety management skills
- ...and so much more!

Ultimately, our goal is to make your job as an instructor easier, more effective, and more rewarding. This update isn't just about maintaining your status - it's about growing as a professional and elevating the industry together!
